Who: You and the greater Boston Community
On August 28, 2013, you are invited to take a cultural action by carrying a lantern to DCR Castle Island Park in South Boston, a symbolic gesture, moving beyond diversity to inclusion, honoring the 50th anniversary of Martin Luther King Jr.'s “I Have a Dream” speech. The hope is to have several thousand lanterns encircle Pleasure Bay. The event, which we are calling “Beacon to the Dream,” is an evening long program that will celebrate the richness and diversity of The City of Boston!

In the words of John McKnight “Our goal should be clear. We are seeking nothing less than a life surrounded by the richness and diversity of community. A collective life. An Everyday Life. A powerful life that gains its joy from the creativity and connectedness that comes when we join in association as citizens to create an inclusive world”

Benefit: Medicine Wheel Productions is increasing inclusion in this city daily. Our authenticity and reputation as artists and humanitarians with the help from our avid and equally compassionate sponsors positions us to lead this initiative in a way that will have lasting impact on the Commonwealth of Massachusetts for many years to come.
